The Mitchell County Commissioners met in formal session on Monday, April 12, 2021 with Chairman Tom Claussen and members Mike Cooper and Jim Marshall in attendance. Also in attendance was Jason Rabe, Beloit City Manager and Heather Hartman, Community Development Director.

The meeting was called to order by Chairman Claussen and the Pledge of Allegiance was recited.

The minutes of the April 5, 2021 meeting were approved as written on motion by Jim Marshall and seconded by Mike Cooper. Motion carried by unanimous vote.

Nora Rhoades, Post Rock Extension District Director, provided the commission with a publication that lists services provided by the Extension District.

Several citizens concerned about the Federal 30-30 plan and the Kansas Nebraska Heritage Area spoke with the commission. Those in attendance were, Jim & Linda Burton, Billie Payne, and Matt Schroeder. They wanted the commission to know that they were opposed to both the 30-30 plan and the Heritage Area proposals. They feel that this will allow the government to take property away from landowners. The commission was presented with the sample resolution regarding these issues. They did not pass or sign the resolution at this time.

Cortney Murrow, County Health Administrator, stated that the numbers wanting vaccines is beginning to drop. There are still no active cases in Mitchell County.

Jason Rabe, Beloit City Manager, gave an update on City projects.

Commissioner Marshall had received a phone call from Doug Palen who requested a road to be closed for a bike race near his home. The portion of the road is on 180 Rd from O to P Road. The commission thought that would be fine.

The meeting was adjourned at 10:10 on motion by Mike Cooper and seconded by Jim Marshall. Motion carried by unanimous vote.
