Yvonne Melton, County Treasurer, questioned the commission on whether employees who choose to travel to restricted areas or "hot zones" for vacations and then must be quarantined for 14 days will be allowed to use sick or vacation leave to cover the absence. She felt that employees should have to use vacation time as they have made the decision to travel to these locations and using vacation time might make them think otherwise. The County Clerk was asked to call KCAMP's Attorney Assist to see what options are available.

The meeting was adjourned at 10:00 on motion by Mike Cooper and seconded by Jim Marshall. Motion carried by unanimous vote.
