

October 19, 2020

The Mitchell County Commissioners met in formal session on Monday, October 19, 2020 at 8:30 a.m. with Chairman Jim Marshall and members Mike Cooper and Tom Claussen in attendance. Also attending were Jason Rabe, Beloit City Manager, Heather Hartman, Community Development Director, Melinda Latham, County Appraiser, and Yvonne Melton, Treasurer.

The meeting was called to order at 8:30 and the Pledge of Allegiance was recited.

The minutes of the October 12, 2020 meeting were approved as written on motion by Tom Claussen and seconded by Mike Cooper. Motion carried by unanimous vote.

Don Noah, concerned citizen, and Raymond Budke, property owner were in to discuss a dispute over the names listed on property owned by Mr. Budke. The issue concerns property which had originally been deeded into the Barbara Harrison Trust and which was deeded out from the Barbara Harrison Revocable Trust. The Appraiser and Clerk's Office felt that there needs to be documentation stating that the two trusts are the same trust. This has not been done. Mr. Budke was doing a garage addition to his property and needs the properties to be combined. Until the title is cleared up this cannot be done. Mr. Budke was also asking for Neighborhood Revitalization on the property. The commission approved the N/R application for Raymond and Janelle Budke in the amount of \$35,887 on motion by Tom Claussen and seconded by Mike Cooper. Motion carried by unanimous vote.

Jason Rabe, Beloit City Manager, brought a change order to the commission for the HVAC system at the Law Enforcement Center. The commission approved the change order as the project is still under the estimated cost on motion by Tom Claussen and seconded by Mike Cooper. Motion carried by unanimous vote.

David Dohe, Emergency Management Director, presented an overview of the fire chiefs meeting held the previous week.

Cortney Murrow, County Health Administrator, reported that she was going to purchase a desk for one of the offices. Her sign is progressing and someone is coming to see if the poles that hold the current sign will hold the electronic sign. Mrs. Murrow reported that she had been contact by a parent of a student who requested that they remove the mask requirement at their school. Mrs. Murrow felt that this would be inappropriate given the rise in cases nationwide. She had spoken to Dr. Kimple who agreed with her assessment of the situation.

The meeting was adjourned at 10:10 on motion by Tom Claussen and seconded by Mike Cooper. Motion carried by unanimous vote.

Jim Marshall, Chairman
