

ANTHONY D. PEREZ  
SHERIFF

STEVE MARTIN  
UNDERSHERIFF

To: Mitchell County Residents

The Mitchell County Sheriff's Office is moving to a modified response plan, effective midnight March 27, 2020. The safety and health of our community including our staff, is our first and greatest concern during this trying time.

The Mitchell County Sheriff's Office will continue to respond to all crimes in progress calls and calls of an emergent nature. For non-emergent or calls regarding crimes that are not in progress, we ask that you call 785-738-3523. A deputy will take your report and answer your questions by phone. Please do not come to the Law Enforcement Center for non-emergent situations as the lobby is closed to the public.

Any party seeking an emergency order for Protection from of Abuse, KSA 60- 3105, or Protection from Stalking, KSA 60-31a06, can obtain the appropriate forms at: <https://www.kansasjudicialcouncil.org/legal-forms/protection-orders> or call ahead to one of our offices to let us help you obtain one of these forms.

The Mitchell County Sheriff's Office will continue to respond to injury or alcohol related traffic accidents. If you are involved in a non-injury accident, including any non-injury deer accidents where the vehicles are operational or somewhat operational, please move your vehicles to a safe area and exchange information required by your insurance carrier and call the Mitchell County Sheriff's Office for further report guidance.
