Zachary / Fuller Building

109 E. 2nd Street
Beloit, KS 67420

- Available Sq. Ft: 7,000
- Building Type: Commercial
- Construction Type: Metal or Steel
- Zoning: Business District
- Former Use: Car Dealership

This former car dealership is located in the downtown business district of Beloit, Kansas. It has off street parking available, a large showroom and an auto parts storage area. It can easily be converted into a retail or office facility.

The owners of the building have recently purchased another property and are eager to sell. Contact the Community Development office for more information on this building and local incentives to help with renovation of the building. Call 785-738-2717 or 785-569-1465
